

TRIDENTCARE ONLINE PRIVACY STATEMENT

Welcome to our website, <http://www.tridentcare.com/>. This site is owned by TridentCare. This Privacy Statement is designed to tell you about our practices regarding collection, use, and disclosure of personal information that you may provide via this site. Please be sure to read this entire Privacy Statement before using or submitting information to this site. This site is intended for use by residents of the United States.

YOUR CONSENT

By using this site, you agree to the terms of this Privacy Statement. Whenever you submit information via this site, you consent to the collection, use, and disclosure of that information in accordance with this Privacy Statement.

CHILDREN AND THIS WEBSITE

This site is not intended for children under the age of 13. We will not knowingly collect any personally identifiable information on or through this site from visitors in this age group. We encourage parents to talk to their children about their use of the Internet and the information they disclose to websites.

ABOUT YOUR INFORMATION

Some areas of this site may ask you to submit personally identifiable information in order for you to benefit from the features and/or activities we offer here. You will be informed what information is required and what information is optional.

We have taken precautionary measures to make all information you provide as secure as possible from unauthorized access and use. We do not sell or share your information to companies outside of our organization.

However, at times, it may be necessary for us to provide your information to our affiliate business units, business parties or other in order to respond to your inquiries and to provide you with the best service possible. Any business partner with whom we share your personal information may only use the information provided for the specified use and project.

YOUR INFORMATION PREFERENCES

As you navigate through this site, certain anonymous information may be passively collected. This means that certain information may be gathered without your actively providing the information. This happens through the use of different technologies, such as cookies, Internet tags or web beacons, and navigational data collection. Your Internet browser automatically transmits to this site some of this anonymous information, such as the URL of the website you just came from and the Internet Protocol (IP) address and the browser version your computer is currently using.

ANONYMOUS DATA COLLECTION

On this site, we may use and combine certain technologies, namely cookies, in order to provide better service to site visitors, customize the site based on your preferences, compile and analyze statistics and trends, and otherwise administer and improve the site so that we may continue to improve our sites and services to you. Such information is not combined with personally identifiable information collected elsewhere on the site unless you have consented. In order to provide the best possible service and relevant information to you, we use cookies to:

- Track resources and data accessed on the site per visitor
- Record general site statistics and activity
- Assist users experiencing website problems

If you do not wish to have this anonymous information collected, you may set your browser to accept cookies, to refuse cookies altogether or to notify you when a cookie is sent, but certain features of this site might not work without cookies. Please keep in mind that cookies do not identify a specific user and are not used to collect any personal information.

USE AND DISCLOSURE OF YOUR INFORMATION

We may use the information collected from you on this site for a variety of purposes, including improving the content of our site and to communicate information to you, if you have requested it, and as specified in this Privacy Statement.

ACCESS TO YOUR INFORMATION

To keep personally identifiable information that you provide through this site accurate, current, and complete, please contact us as specified below and we will take appropriate steps to update or correct the information that remains in our possession, or to delete your information from our databases.

SECURITY OF YOUR INFORMATION

We have taken appropriate steps to protect the personally identifiable information you provide on this site from loss, misuse, and unauthorized access, disclosure, alteration, or destruction

Keep in mind that unless otherwise noted, the e-mail functionality on our site does not provide a completely secure and confidential means of communication. It is possible that your e-mail communication may be accessed or viewed inappropriately by another Internet user while in transit to us. If you wish to keep your information completely private, you should not use e-mail.

YOUR ACCESS TO OTHER WEBSITES

This site may contain links or references to other websites to which this Privacy Statement does not apply. We encourage you to read the Privacy Statement of every website you visit.

HOW YOU MAY CONTACT US
